6th of January, Washington DC  
The only place that matters is the  
**Capitol Building**  
1 PM

This is a very well thought out post. It is a good reminder to stay focused on the goal. Ignore or overcome ALL obstacles. Your only goal is the Capitol building.

Do not get distracted with other locations on the 6th: the Capitol building is where you need to be. (media.patriots.win)

The enemy will try to keep you from getting there, by any means possible: roadblocks, riot police, "friendly" distractions, others...

Ignore or overcome **ALL** obstacles. Your only goal is the Capitol building.

Much earlier than 1 PM. The building should be surrounded well before the swamp rats arrive
